Town Warrant

THE STATE OF NEW HAMPSHIRE

To the inhabitants of the Town of New Castle, in the County of Rockingham, in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Town Hall, in said New Castle, on Tuesday, the twelfth day of March, next, at ten of the clock in the forenoon, to act upon the following subjects:

1. To hear the reports of agents, officers, and others heretofore chosen, and to pass any vote in relation thereto.
2. To choose all necessary town officers for the year ensuing.
3. To raise such sums of money as may be necessary to defray town charges for the ensuing year, and to make appropriation for the same.
4. To see if the town will authorize the selectmen to incur temporary loans in anticipation of taxes upon the credit of the town.
5. To see if the town will vote to allow a discount upon taxes paid within a limited time, and to fix the amount of such discount and the date or dates when the same shall be allowed.
6. To see if the town will vote to raise the sum of \$800.00 for payment of pensions to school teachers for the year 1946 and to make appropriation therefor.
7. To see if the town will vote to join in and participate in the publicity, planning and advertising ac-

tivities of the New Hampshire Seacoast Regional Development Association and to make appropriation of the sum of \$70.00 therefor.

8. To see if the town will vote, pursuant to Chapter 85 of the Laws of 1945, to establish a board of trustees of trust funds to consist of one trustee only, and to choose by ballot said trustee.

9. To see if the town will vote to constitute and appoint a committee to study and consider the desirability of hiring one full time employee to collect the garbage, care for the fire apparatus and other town equipment, and perform such other duties as may be assigned to him; said committee to report its findings at the annual meeting in 1947.

10. To see if the town will vote to sell or otherwise dispose of the "Upper School House," so-called, on Cranfield Street, and grant the proper authority therefor to the selectmen.

11. To see if the town will vote to sell or otherwise dispose of the Air Compressor belonging to the town, and grant the selectmen proper authority therefor.

12. To see if the town will vote to repeal the vote heretofore passed directing the selectmen to place insurance on town property only with insurance brokers or agents domiciled within the town.

13. To see if the town will vote to authorize the making of necessary repairs to the Town Hall by the expenditure of the capital reserve fund heretofore established for the purpose.

14. To see if the town will vote to petition the State Tax Commission to have an audit made by the Division of Municipal Accounting and to make appropriation to cover the expenses thereof.

15. To see if the town will vote to make repairs

to the town roads generally known as "Laurel Way" and "Riverview Road" and to make appropriation therefor.

16. To see if the town will vote to accept any federal surplus property which may be offered to it on condition that the town pay all expenses of packing and transportation.

17. To see if the town will vote to purchase any federal surplus property which the town desires and which may be for sale and to make appropriation therefor.

18. To see if the town will vote to inform all of our New Hampshire Congressmen that we are opposed to all immigration including accepting refugees for a period of three years or until our veterans are back and employed. Exception: veterans' brides.

19. To see if the town will vote to have a Tax Map of the town made in conformity with the recommendations of the State Tax Commission and the State Planning and Development Commission, and to make appropriation therefor.

20. To transact any other business that may lawfully come before said meeting.

Given under our hands and seals this twenty-first day of February, in the year of our Lord, one thousand, nine hundred and forty-six.

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the School District in the town of New Castle qualified to vote in district affairs:

You are hereby notified to meet at the Town Hall in said district on the 12th day of March, 1946, at 7:30 o'clock in the afternoon to act upon the following subjects:

1. To choose a Moderator for the coming year.
2. To choose a Clerk for the ensuing year.
3. To choose a Member of the School Board for the ensuing three years.
4. To choose a Treasurer for the ensuing year.
5. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agent of the district.
6. To hear the reports of Committees chosen.
7. To choose Agents, Auditors and Committees in relation to any subject embraced in this Warrant.
8. To see if the district will vote to make any alteration in the amount of money required to be assessed for the ensuing year for the support of public schools and the payment of the statutory obligations of the district, as determined by the school board in its annual report.
9. To see if the district will vote to allow the school board to have a modern heating system installed and also certain necessary repairs in the present school. And to make an appropriation to cover the cost of same.

10. To see if the district will vote to purchase the property owned by Charles M. Dale, located at the corner of Portsmouth Avenue and Cranfield Street for a new school building and school grounds at a sum not to exceed \$1,000.00, conveyance to be quitclaim deed and upon the expressed condition and essential part property consideration that the property be used for the foregoing purposes; and to make appropriation therefor.

11. To see if the district will vote to build a new elementary school building at an estimated cost of \$18,000.00, and to authorize the school board to hire such money as necessary to defray the cost of same.

12. To see if the district will vote to authorize a special committee, elected at the Town Meeting of 1945, to employ an architect to draw up plans for a new school building; said plans to be used by the school board in advertising for bids.

13. To see if the district will vote to continue a special committee elected at the Town Meeting of 1945 for the purpose of considering the possibility of construction of a new public school.

Given under our hands at said New Castle this 23rd day of February, 1946.

Report of the Superintendent of Schools

To the School Board of New Castle:

I herewith present my sixteenth report as Superintendent of your schools.

The current year began Wednesday, September 5, 1945, with an initial enrollment of thirty-seven pupils in our local school. There were ten pupils attending grades seven and eight in the Portsmouth Junior High School and twenty-one enrolled in grades nine to twelve. This is an increase of one in the number of New Castle children attending school as compared with the previous year.

With the retirement of Miss Trefethen, the New Castle schools were confronted with the problem of securing a suitable successor. It is fortunate that Mrs. Virginia Wilson consented to come to New Castle. She has proven a skillful and understanding teacher. The upper grade room is in charge of Mrs. Ruth Thompson. She is an experienced teacher, a graduate of Bridgewater Normal School. Progress in her class is evident to any visitor.

Standardized tests were given last November which showed the New Castle schools to be well up to the national average. While we were certain of this, it is well to have it verified by the accurate standards of national averages. Although these tests do not, and cannot take into account the local conditions of any particular school, they do offer a sound method of measuring our achievement as compared with other schools.

The report of the school nurse is included herewith. Health is one of the cardinal objectives of present education. Physical well-being is closely aligned with mental achievement. The nurse is an important

part of any school system. The people of New Castle have worked cooperatively with Mrs. Sheehy. The results are correspondingly good.

The services of Mrs. Benoit, our music teacher, are appreciated by pupils and teachers alike. It is hoped that plans may be made for her to visit our school more often next year. The New Castle children like to sing. They should be given every opportunity to do so.

The organization of a Parent-Teacher Association in the district is a credit to the townspeople. Such a group makes articulate the wish of those interested in the welfare of the children both in school and in the community activities. There is much that they can do.

The value of visual education is becoming more evident as the value of visual material increases. Moving picture companies are furnishing pictures for school use in greater abundance. Films, especially supervised by skilled teachers, are now available for social studies, science, reading and even teaching methods. The extensive use of such material by the Army has proven that facts are learned more easily through pictures than through the printed page. I would suggest that New Castle give serious thought to buying a motion picture projector as a study aid. These are now available.

The New Castle School District meeting, held on the thirteenth day of March, 1945, named a committee to secure plans and sketches for a possible new school building. This committee has held several meetings and has consulted with a representative of the State Board of Education. It is well to be ready early so that we may move quickly when the opportunity favors. The advantages of a new school are many. Towns with smaller valuation than ours have seen the educational advantages to their children of improved

construction. There is more to modern education than learning to read, write, and cipher. Conditions approximating Portsmouth schools would materially help our pupils in becoming adjusted to that system. Health conditions are important. Modern ventilation, modern heat circulation, diffused natural light, modern water toilets are a few of suggested equipment. Room for supervised play indoors will help each pupil to adjust himself socially with his fellows. A small room where the first graders may be by themselves occasionally is a part of a modern school. The whole membership should get together occasionally for group study, work or play. This can be done either by a third room or by two rooms with a folding partition. In either case, a one-story building has many advantages from the point of view of safety, administration and appearance. From past experience in other towns it seems safe to say that a good and attractive school house is the best of advertising for any town.

The school children of New Castle have done their part in the war effort. In addition to paper and scrap drives, and the collection of milk weed, they have sold war stamps and bonds regularly. During the school year 1944-1945 bonds and stamps were sold to the purchase value of \$779.05. It is now planned to continue selling stamps during the current year.

You, as a school board, have been ever watchful of the welfare of the children. The improvements you have made in the building were planned for them. Under your guidance I have no fear for the standing of the New Castle School.

Respectfully submitted,

ROY W. GILLMORE,
Superintendent of Schools.

Report of School Nurse

To the School Board of New Castle:

Following are the health activities carried on in the New Castle schools from January 1, 1945, to January 1, 1946.

Most of the corrective work for the 1944 physical examinations was done during the winter and spring terms of 1945.

22 children had complete dental care.

6 children had part dental care.

All children are vaccinated.

4 children had eyes examined and received glasses.

2 children had tonsillectomies performed.

21 visits were made to the school.

Number of children examined in fall of 1945,	34
--	----

Number found to have defective vision,	4
--	---

Number found to have defective teeth,	11
---------------------------------------	----

Number found to have defective tonsils,	10
---	----

Number found to have defective glands,	7
--	---

Number found to have anaemia,	1
-------------------------------	---

All children are weighed and measured during the fall, winter and spring terms. There have been no contagious diseases during this school year.

There has been a diphtheria toxoid clinic held in the school for all pre-school and school children of the first four grades. There were four school children and two pre-school children inoculated. Dr. Tredict and Miss Waite of the Public Health Office were in attendance.

Dr. Tredict has examined the children and found no serious defects. However, there are many who should see their dentist and many who should have their throats examined by their family physician.

I wish to take this opportunity to thank our Superintendent, Mr. Gillmore, School Board, Parent-Teacher Association, teachers and parents for their cooperation and help.

Respectfully submitted,

ELOISE B. SHEEHY, R. N.
